Very Fine Maori NCEA Achievement

As the graphs show, our senior Maori students' achievement in NCEA 2014 was excellent.

At all three levels, our students' results are well above the national averages. We are extremely proud of this success!

As *The Selwyn Way* says, they clearly 'Aim to Soar'. Haro!

Attention: Parents of all Senior Students

Next Tuesday 3rd March, school will start at 9.40am for all senior students.

This late start will enable us to carry out our 3-way goal setting meetings for our Year 10 students.

NCEA Information Evening

We would like to extend a warm invitation to all Selwyn families to attend an NCEA Information Evening in the School's Library on

Wednesday 11th March at 7pm.

Use of Photos of Selwyn Students

From time to time students will be photographed as they are engaged in school activities. The photographs identifying your son or daughter may be used in publications for audiences both within the college and the wider community. If for any reason you do not wish your son or daughter's photograph to appear in these publications or on the college website Selnet please send your instructions in writing to arnoldj@selwyn.school.nz to arrive no later than **Friday 13th March**.

Introducing New Teacher Andrew Box

My name is Andrew Box and I am joining the outstanding and dedicated Physical Education and Health Department here at Selwyn. I am excited by the vibe of the school and its culture of success. I am looking forward to supporting and encouraging the students of Selwyn to dream big and be the best that they can be. I can't wait to start coaching sports at Selwyn and hope to be involved with either our Football, Basketball or Cricket teams. I completed a four year Bachelor of Arts in Physical Education & English with Qualified Teacher Status at Warwick University (UK) and I hope that my passion for PE & Health inspires the students of Selwyn on a daily basis. I speak German, write movie reviews for bigscreenz, enjoy playing chess, golf and football and love everything about the outdoors.

Introducing New Teacher Craig Jack

I am excited at this opportunity to be joining the English department here at Selwyn College.

Originally from Vancouver, British Columbia, I have now called Auckland home for the past 10 years. It is where I continued my passion in English based texts through Massey University as well as my Graduate Diploma in Secondary Teaching at AUT. I am eager to begin my employment here with the vibrant mix of students I have already met and those yet to encounter. I'm enticed by the opportunity to show the students that their English class is more than just the study of texts but how they perceive themselves in this increasingly diverse world.

THE NEW ZEALAND PREMIERE OF
IN THE HEIGHTS

25-28 MARCH
SELWYN
THEATRE

www.iticket.co.nz
3611000

IN THE HEIGHTS tells the universal story of a vibrant community in New York's Washington Heights neighbourhood – a place where the coffee from the corner bodega is light and sweet, the windows are always open and the breeze carries the rhythm of three generations of music. It's a community on the brink of change, full of hopes, dreams and pressures, where the biggest struggles can be deciding which traditions you take with you, and which ones you leave behind. IN THE HEIGHTS is the winner of the 2008 Tony Awards for Best Musical, Best Score, Best Choreography and Best Orchestrations.

Selwyn College has been awarded the New Zealand Premiere rights for this groundbreaking 21st century musical.

*IN THE HEIGHTS is the WEST SIDE STORY
for a new generation*

Selwyn families may be interested in this Health and fitness program designed for Young People who are at risk of chronic physical and psychological health issues because of carrying excess weight.

Applications are open until March 14th and the course starts in April for 12 weeks. This short term investment has long term benefits. There will be a Parents Information Evening on the 11th of March at 6.30pm. See Vicki, our school nurse for more information.
