### A Spectacular House Day

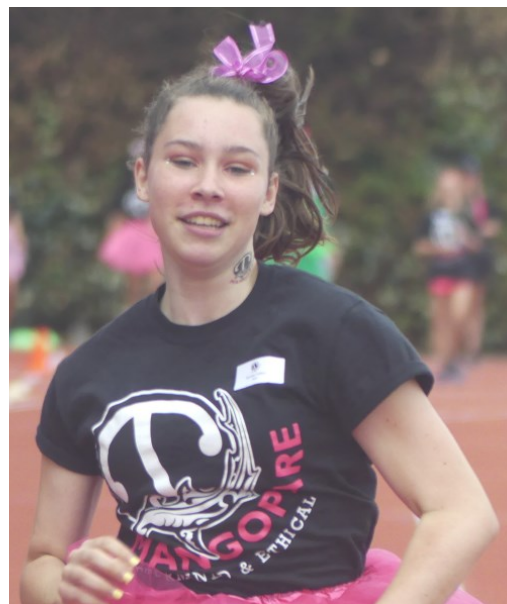

This week Selwyn students and staff enjoyed a spectacular House Day at Mt Smart Stadium which truly reflected *The Selwyn Way*! As the photos reveal, it was a colourful and vibrant occasion with almost every student participating in a wide range of serious athletics to novelty events. It was participation points that won the day for Mangopare House.

Congratulations to the Mangopare leaders Hugh Roxburgh and Callan George for the amazing work they did in rallying the Mangopare students to soar! Indeed it was a fantastic effort from all of the Houses.

## Rest in Peace Mele Sega

Today we held a special remembrance ceremony for Mele Sega, one of our long-serving current teachers who passed away last week. Mele started at Selwyn in 2002 as a teacher of English as a Second Language in the secondary school before moving across to REAF about eight years ago.

Today in their speeches, many of Mele's students and colleagues reflected on both the beautiful and respectful person she was and also the special quality of the relationships and teaching they enjoyed from her.

*Rest in Peace Mele. Moe mai i roto i te Rangimarie.  
You will always be a Selwyn treasure.*

## Another Selwyn Student Soars

Congratulations to **Campbell Jackson Mee** who ran the 50K Tarawera Ultra Marathon last Saturday. We believe he was by far the youngest entrant. There were 750 runners and Campbell came 24th in the 20-30 year old category for men.

The race also consisted of 1,800 vertical meters of mountain climbing. His finish time was 6 hours 57 minutes. This was the result of 8 months of hard work!

## An Exciting Opportunity for Selwyn Sports Students

Selwyn has recently formed a partnership with Platform Sports Management, who offer a high quality platform for students seeking to develop their sporting abilities within the USA college system.

Our Director of Sport, Brian Shelley talks about the new partnership.

*"I am extremely excited about the new partnership we have formed with Platform Sports Management. I am looking forward to working with Amrit and the rest of his team. Platform cover a range of sports and I personally know some of the students they have placed into colleges in the USA. In addition to this they are also assisting our current Selwyn college tennis star Holly Stewart in exploring the best college options in the USA. This partnership will raise the profile of sport at our school and we want to be able to help our students with their sport beyond the experience they gain here at Selwyn College".*

We are planning a student/parent information night shortly. In the meantime here is a link to a video presentation about the services Platform offer:
