Selwyn Students Soar Against National NCEA Results in 2019

The following graphs are based on unconfirmed results but they provide strong evidence that in NCEA last year, our students performed extremely well at all three levels of the examinations compared to the national results. These results are enrolment-based rather than participation-based which means they include everyone on the roll at each year level, including students who for different personal reasons are unable to access NCEA. We are proud of our students, especially at Level One as almost every eligible student soared.

A Magnificent House Athletics Day 2020

As these awesome photos show, House Day this year was a magnificent experience for our students and staff. The weather was beautiful and our students showed their engagement by getting involved to win House points and wearing their House colours proudly in many creative ways.

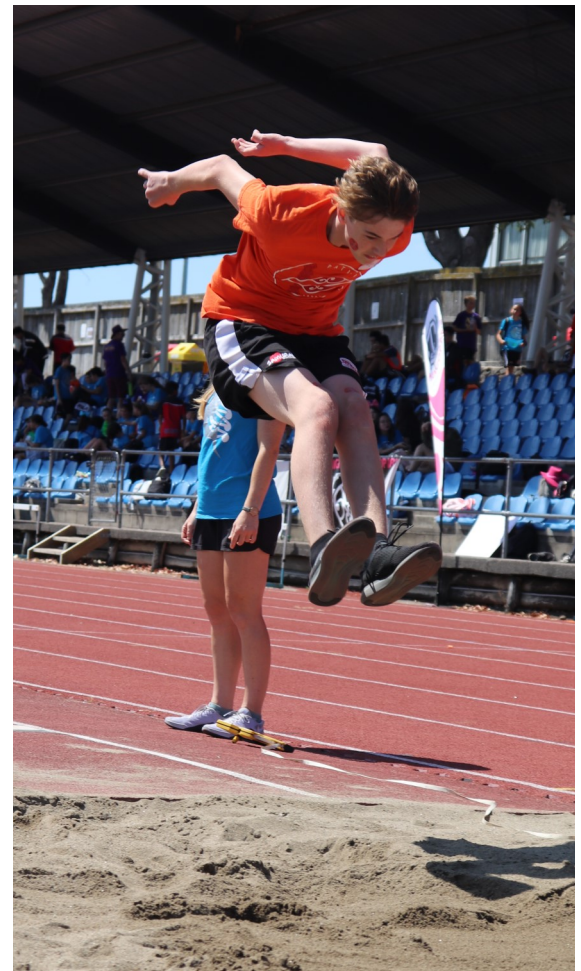

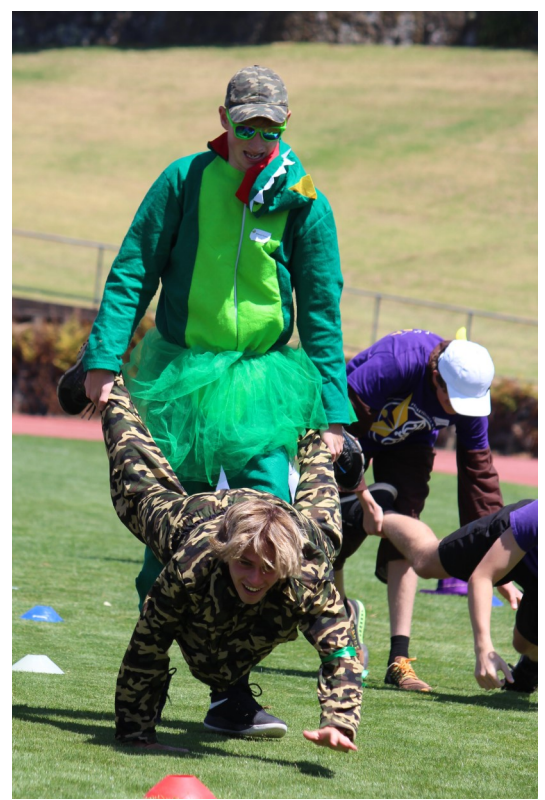

Congratulations to Mangopare House who soared to win the day!

The final results were:

MASTER RESULTS SHEET				
HOUSE	PARTICIPATION:	COMPETITION:	RELAYS:	OVERALL TOTAL:
Mangopare	794	178	18	990
Patiki	687	165	18	870

Introducing New Teachers

Peter Wills - Teacher of Sciences

Tēnā koutou. My name is Peter Wills and I am a Science and Biology teacher at Selwyn College this year. Last year, I completed my second practicum at Selwyn College. My hobbies include coding websites, ballroom dancing, and watching football. It is a privilege to back in the Selwyn community. You may see me around this year supporting the Pasifika Achievement Group or the Scholarship Biology students. Please, do not hesitate to say hello.

Two Important Notices for Parents

Early Finish

A reminder to parents that **classes will finish at 12.35pm next Thursday 27th February** in order for our teachers to attend a Paid Union Meeting. Students may go home at this time. The Library will be open throughout the afternoon and supervised by non-PPTA teachers if students wish to study there.
