### Congratulating Jet Shand-Pease – A Selwyn Academic Super Star!

We are thrilled to let our community know that our Year 11 student **Jet Shand-Pease** has just been notified that he has been accepted for the 5-day training camp in January to represent New Zealand in the international **Mathematical Olympiad**. He sat a 3 hour exam at the end of September and since then, he has been attending tutorials at the University of Auckland. This is a wonderful achievement!

Jet's exceptional academic talents were also acknowledged at our Senior Prizegiving when he was presented with a **Top Scholar Award**. Although his age puts him Year 11, Jet studies all of his subjects at higher levels. He is doing Calculus, Physics and Chemistry at NCEA Level 3 and Electronics, Accounting and English at Level 2. Jet certainly deserves our fullest congratulations.

### Supporting Our Support Staff

Selwyn staff came out in force last Friday wearing black and white to show their support for Teacher Aides and other Support Staff around the country who are seeking financial recognition of the important work they do in making a difference for student learning.

At Selwyn, we ensure our Support Staff are earning at least the Living Wage but this is not the case for 90% of Teacher Aides who are also generally in insecure, fixed term employment. Hence, the current NZEI campaign 'Fair's Fair' for Mana Taurite – Pay equity.
