

Tena Koutou Katoa

This week, Selwyn students and staff have joined the world in condemning last Friday's act of terror and violence. We stand with our Prime Minister when she says:

*'They were New Zealanders. They are us'.*

And we mourn.

Selwyn is committed to building within our community the values expressed in **The Selwyn Way**.

**T**reat everyone with respect  
**H**onour and celebrate diversity and success  
**E**nsure a safe, vibrant and sustainable environment

This tragic event highlights just how important it is that each of us lives by these values and that each of us also helps to communicate the importance of these values to others through our words and actions.

*"As-Salaam-**Alaikum**" "Peace be unto you"*

### Tomorrow's Schools Review

Further to a previous newsletter, the following link takes you to a report and other material about the review and provides an opportunity for you to have your say. There are eight key issues and a number of recommendations – not all of which would be expected to happen. Therefore, it is important that parents have their say in the survey provided.

## AFS Travel Scholarship available for a Selwyn Student

A generous member of the AFS community has donated a **\$10,000 scholarship** to assist one lucky Selwyn College student to experience a once-in-a-lifetime opportunity, living and studying in another country.

Selwyn College has long supported intercultural learning, and has a proud history of hosting students from abroad, as well as sending students abroad.

The student selected will join one of the many AFS students who embark on a life-changing experience, living with a family in another country.

So that students can find out more about the AFS experience and the selection process, ex Selwyn College pupil and former AFS student, Grayson Goffe, will be speaking at assemblies this coming week for Year 10 – 12.
